School Immunizations

Dear Parents/Guardians,

The following is an update for routine school immunizations. To ensure the effective roll-out of the COVID-19 vaccine, adjustments to other immunization services have been needed over the past year. Immunization of students in grade six, seven and nine has continued to proceed, though some delays may have occurred in some cases. Alberta Health Services (AHS) will continue to provide school immunization services at the earliest opportunity and will ensure that every eligible student has access to vaccines for which they have received consent for. The signed consent on file from parents or guardians will be used. It may take more than 1 school year for your child to get all the doses of each vaccine.

AHS recommends that Albertans 12+ are immunized with COVID-19 vaccine. It is recommended that you wait at least 28 days after you have a dose of COVID-19 vaccine before you get another vaccine. If you've had another vaccine, wait 14 days before you get a COVID-19 vaccine. For vaccine information please visit: [COVID-19 vaccines \(alberta.ca\)](https://www.alberta.ca/covid-19-vaccines) or [AHS Immunization | Immunization \(immunizealberta.ca\)](https://www.alberta.ca/ahs-immunization-immunization-immunizealberta.ca). **For information about COVID-19 vaccine phases:** [COVID-19 vaccine program | Alberta.ca](https://www.alberta.ca/covid-19-vaccine-program-alberta.ca)

Hello Grade 9 Families

While it's only June 4th today, we know this month will fly by and students and families will be enjoying some summer holidays in no time at all! While this year we are not able to celebrate your child's **Grade 9 Farewell** in it's full traditional way (due to restrictions and cohorts), it is still very important for us to honor them and celebrate them as best we can. Here is a general plan for what the end of the year looks like for Grade 9s:

Friday, June 25th: Student/Teacher only In-Person Ceremony/Reception at school which involves:

2 separate ceremonies (one for 9M and one for 9L) will be approximately 30-40 minutes
supper will follow afterwards

a live stream will be available for families to watch the ceremony

9M: 4:00 - 5:30pm

9L: 6:00pm - 7:30pm

Cost for supper will be approximately \$15

Monday, June 28th: Field Trip to Snow Valley Aerials Park

Students will travel by bus to Snow Valley Aerials Park. Again, 9L and 9M will be riding on separate buses and playing in separate areas of the tower.

Orientation and Tower Play 9:30-12:00pm

There are picnic tables for students to enjoy snack breaks and rests throughout their time

Picnic/Lunch/Recreation Time 12:00pm - 2:10pm: The facility has access to camping/recreational areas where students will have free time to hang out with classmates, eat, throw a football, play bocce, listen to music, relax and enjoy the day together.

See website for details: <https://www.snowvalley.ca/aerial-park/>

Cost for the trip will be approximately \$40.

Tuesday, June 29th: Wrap Up and Fun Activities At School

Activities to be determined.

Next week, students will be bringing home permission forms with more details and **all fees and forms will be due back by Tuesday, June 15th.**

Finally, *Students, if you have not completed the Farewell Questionnaire and submitted 2 pictures of yourself and parents if you have not completed the consent form that was sent out over the last couple of weeks, please take care of that ASAP so we can move forward in our preparation and planning on the slide show. If this isn't submitted we will not be able to fully include your child in the slide show.

If you have any questions or concerns about the end of the year activities, please do not hesitate to reach out to me. Have a fantastic weekend:)

TD Summer Reading Program

[TD Summer Reading Club](#)

Hi everyone,

The time has come again to offer another fun summer reading adventure and this time we are getting ready to offer our community more reading challenges and fun than ever! Together we have overcome what seemed like insurmountable obstacles in the face of this looming pandemic, but we have pushed forward with optimism, and we are eager now to offer some incredible activities that the whole family can enjoy this summer as we encourage our children to keep reading. Be sure to watch the Stony Plain library's website at www.mysppl.ca and read our Library's newsletter for more information in June. Registration for the program will start June 13th, register in person, by phone, or online.

I have attached a letter with more information and that can be shared, posted, etc.

Secretaries, please add this entire letter to our newsletter in June.

I will also be offering to teachers, who are interested, and with permission from administration, a short 15-minute TD Summer Reading Club Power-Point Presentation promoting the Club and answering any questions your class may have through google meets. It's super fun and interactive! Let me know if you would like to book a time and we can arrange-ments. Simply email me at lauram@mysppl.ca.

Thank you so much,

I look forward to a great summer!
And keep reading!

2021/22

The 21/22 school supply lists will be posted on our website in the weeks to come. Currently we have those lists sent out to Staples in Spruce Grove to give parents the opportunity to order these supplies to be delivered to their homes. When these order forms become available we will send out more information which that will also be posted on our website.
