# École Meridian Heights School

## École Meridian Heights School

Located in Stony Plain, École Meridian Heights School is a dual track French Immersion and English school, serving over 650 students from Kindergarten to Grade Nine. Renovations over the past several years have resulted in a beautiful learning commons and additional learning spaces. École Meridian Heights School promotes a welcoming and caring learning environment, where students are at the centre of everything we do.

We are proud of the many opportunities provided to students to build positive relationships. At École Meridian Heights School, we believe that a safe, healthy, and caring atmosphere provides a solid learning environment. We are proud of the high level of parent volunteerism and staff dedication. Students benefit greatly from this teamwork. We are proud to be a dual-track French Immersion and English school. Over 85% of our students study French either in the immersive program or as a second language, and we delight in regular celebrations of our bilingual environment.

We are particularly proud that Meridian Heights' students are known as being responsible and courteous citizens, both within the school and the community. Our students are leaders and we are very deliberate about giving all of our students opportunities to show leadership. Meridian Heights celebrates 50 years as a solid learning environment within the Town of Stony Plain. Our Meridian Magic is alive and well.

École Meridian Heights School offers many extracurricular opportunities. Students can participate in a variety of sports such as cross country running, volleyball, basketball, badminton, track and field and many more. In addition, Fine Arts opportunities, such as our award winning choir “Magic Voices” and an Instrumental Band option, are available to our students.

Opportunities for cultural events are embedded throughout our school year. Celebrations such as Francofête, Meridian Live Cultural Presentations, and participation in events such as Orange Shirt Day and National Indigenous Day are just a few of the ways in which we celebrate our diversity.

Ecole Meridian Heights School is also pleased to be working with Ms. Cindy Van Beers who offers an Out of School Care program (before and after school) within our school. More information about this program can be found on our website.

## School Safety

## Allergies

Some of our students and staff have life-threatening allergies to nuts and nut products. Therefore, our school is “NUT-AWARE”. We are asking for your help and cooperation in ensuring our school continues to be safe by not sending any nut products to the school. Thank you in advance for your commitment to our safety!

## Medication

In order for school staff to administer medication to any student we must be in compliance with Parkland School Division [Administrative Procedure 782: Medical - Administering Prescribed Medications](#).

### Before Prescription Medication is Administered

The [Request for Assistance to Administer Medication form](#) must be completed by the parent or guardian, the prescribing physician, and school administration. The school reserves the right to refuse to administer medication. These forms are available from the school office. The medication must be delivered to the school by a parent in a container labelled by the pharmacy and is to be stored in a locked cupboard in the school office.

### Drop Off & Pick Up

Please note the following important information regarding child safety at École Meridian Heights School:

### MORNING ARRIVAL

We look forward to welcoming students at **8:15 a.m.** No supervision is provided prior to this time. **We ask that parents do not enter the main parking lot between** École Meridian Heights School HandFor up-to-date school calendars and news, cbook 2024-2025

**8:15 - 8:35 and 2:45 - 3:15** in order to ensure that buses can move through the parking lot. The reduced traffic flow in the parking lot also helps us to ensure the safety of students walking, biking, scootering etc. to school. Parents are welcome to park on 44th Avenue or 43 Street to drop students off.

- Buses arrive and supervision begins at 8:15 a.m.
- Students will enter the building through their designated doors when the bell rings at 8:29 a.m.

#### AFTERNOON DISMISSAL

Students will be dismissed at **3:06 p.m** from their homerooms and exit through their designated doors.

- Parents/Guardians picking up students at school are asked to ensure they have parked on 43 Street or 44 Avenue.
- Parents/Guardians are asked to wait outside of the school when picking up their children.
- We would appreciate your assistance to ensure that all of our École Meridian Heights School students are safe and accounted for at the end of the school day. Here's how you can help:
  - Please ensure that your children meet you and stay with you.
  - Have a predetermined designated meeting spot.

#### **Entering & Exiting the Building**

We are sure that everyone will agree that our children's safety is paramount. We appreciate your attention to these details.

1. Students enter the school through their designated doors. The main doors at the front of the building are for adults and guests to our school, or students arriving late or being picked up early.

École Meridian Heights School HandFor up-to-date school calendars and news, cbook 2024-2025

2. Exterior doors, with the exception of the main entrance doors, are locked during instructional hours.
3. Parents picking up students at the end of the day are asked to wait outside for their child/children.

### **Late Arrivals & Early Departures**

If your child is arriving late to school, please ensure he/she comes in the front doors and reports to the office to sign in. Likewise, if you are picking your child up early, please ensure that you have called the office and have notified the teacher of the student leaving. When picking up your child you will be asked to come into the school to sign him/her out.

### **Grade 7-9 Home for Lunch Privileges**

École Meridian Heights School is a closed campus. However, students from Grade 7 to 9, with signed parental/guardian permission, can sign out in order to go home for lunch. These students must remember to sign in and out of the building as well as return on time (12:50 pm) in order to keep these privileges throughout the school year. Permission forms are available on request from the student's homeroom teacher.

### **Visiting École Meridian Heights School**

All visitors, including parents, are required to sign in at the school office upon arrival. Please do not travel through the school prior to speaking with a member of our office staff. If you are picking up your child, dropping off a lunch or other item(s) the office staff will determine the appropriate course of action.

## Emergency Response Procedures

Parkland School Division's first priority is the safety, security, and well being of our students and staff. Throughout the year, students and staff practice emergency procedures such as lockdowns and emergency evacuations.

Your cooperation is vital to helping us protect the safety and welfare of all children and school employees. Please observe the procedures explained below. Greater explanation can be found on the [Parkland School Division website](#).

### In The Event Of An Emergency:

- **Do not call the school or your child's cell phone.** It is important that phone systems be open and available for emergency communications. By calling your child's cell phone, you could potentially put them in harm's way, depending on the nature of the crisis. We will ensure that you get the information you need by contacting you.
- **Do not come to the school until instructed to do so.** In the event of a lock-down or shelter-in-place, the school will be locked with NO arrivals or departures. You will not be allowed to pick up your child until after an "all-clear" is given and established student release procedures are in order.

**EVALUATION** involves making a professional judgement based on the assessments provided.

**REPORTING** involves communicating to students and parents the evaluation of student performance in relation to the learning outcomes in the Alberta Programs of Study.

### [Administrative Procedure Assessment and Reporting](#)

Parkland School Division shall report progress with four indicators of achievement (Grades 1-9). Note that the indicators of achievement for knowledge tasks **are equal, in range of percentage, to the indicators of achievement**. The expected acceptable standard for all students is to achieve, at least, a level of competence while continually striving to achieve a standard of excellence.

Parkland School Division - Report Card Indicators of Achievement - Equivalent Standards

100% - 80%	79% - 65%	64% - 50%	49% - 0%

A student may receive feedback that utilizes descriptive indicators of achievement, relative to the outcome expected:

The Division supports the endeavours of staff, students, parents and the community to promote positive student behaviour and conduct throughout our community of schools.

Parkland School Division has a responsibility to ensure that each student enrolled in a school operated by the Board and each staff member employed by the Board is provided with a welcoming, caring, respectful and safe learning environment that respects diversity and fosters a sense of belonging.

École Meridian Heights School HandFor up-to-date school calendars and news, cbook 2024-2025

All stakeholders in the success and well-being of students, and especially the students themselves, are expected to recognize their responsibilities in developing student self-discipline within a culture of wellness. Staff members and students will not be discriminated against as provided for in the Alberta Human Rights Act or the Canadian Charter of Rights and Freedoms.

### **Managing Conflict and Misconduct**

Sometimes children make mistakes, and that's part of growing up. On that journey, they need our guidance as teachers, administrators, bus drivers, and home adults. Our staff believe in being very clear about their expectations, and then following through with support, education, and consequences. We have a proactive approach to student discipline by reinforcing active citizenship within our school.

### *When Conflict and Misconduct Happens*

With over 650 students interacting every day, misconduct and conflicts can occur. When this happens, we believe that the first line of contact about student needs or misconduct are with the classroom teachers, recess supervisors, and bus drivers.

You could receive a phone call or email message from the teacher or bus driver for anything from teasing to homework to physical fighting. Please remember, teachers and drivers are very busy: they deal with many small concerns within the normal structure of the day, and they can't communicate everything. If your child reports a concern to you, please reach out to your child's teacher to ask questions and seek clarification. We would be happy to work with you in this regard.

École Meridian Heights School HandFor up-to-date school calendars and news, cbook  
2024-2025

### *Office Support*

Our teachers, recess supervisors, and drivers do an exceptional job of managing most concerns at the classroom level or bus level, but occasionally they require support from our office team (principal, assistant principals, counsellor).

#### *When might this happen?*

When a pattern occurs (e.g. frequent peer conflicts on the playground) or a more serious event occurs (e.g. student vaping or physical fight), a child will be asked to speak with office staff. In the case of buses, a bus infraction form is completed and given to the office.

#### *What happens then?*

When a concern comes to the office, administration works with the student(s) to further understand the situation. Support, education, and logical consequences are then given. Office staff will then communicate with parents.

#### *What is a logical consequence?*

Consequences are less about punishment and more about learning in order to move forward positively. The consequences can range from one lost recess (time spent in the office instead) to a full five-day suspension.

## Dress Code

### *Purpose of the Dress Code at EMHS*

Students at Ecole Meridian Heights School are expected to dress in a way that is appropriate for their role as a learner in our school community. The Dress Code at EMHS has been established to define the balance of allowing students to express themselves and to be comfortable while ensuring that student attire remains appropriate for a K-9 school setting. Student dress choices must respect our school's commitment to creating a safe, caring and inclusive learning environment. The staff at Ecole Meridian Heights School recognize the shared responsibility between students, parents and staff to support our students in adhering to this dress code.

The following descriptions and list of items is intended to provide further clarification on how the previously outlined purpose of the EMHS dress code will be interpreted within our school community. In acknowledging that it is not possible to pre-determine all questions that may arise regarding student attire, as other questions or circumstances present, staff will refer back to the purpose of the Dress Code at EMHS in their decision making process.

**Some examples** of clothing that does not align with the expectations of the EMHS Dress code are as follows:

- Attire that contributes to a hostile or intimidating atmosphere for any student,

- Attire that increases marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size.
- Attire that is unsafe for the environment (e.g. inappropriate footwear for Physical Education)
- Attire or accessories with offensive images or language, including profanity, hate speech, and/or pornography.
- Attire that denotes, suggests, displays or references alcohol, drugs or related paraphernalia or other illegal conduct or activities.
- Attire that will interfere with the operation of the school, disrupt the educational process, invade the rights of others, or create a reasonably foreseeable risk of such interference or invasion of rights.
- Attire that reasonably can be construed as being or including content that is racist, lewd, vulgar or obscene
- Attire that contains defamatory speech, or threats to others.

### Process to Address Dress Code Infractions:

Should a student's clothing not adhere to the Dress Code of EMHS as outlined above, the following process will be initiated.

- The staff member will explain to the student as discreetly as the environment permits, how the clothing item does not align with the dress code.
- The student will be asked to put on a different piece of clothing if they have one.
- The student may choose to borrow a piece of clothing from a classmate or peer.

- The student will be offered, when available, a piece of laundered clothing from the school.
- The student and staff member may call a parent to deliver alternate clothing.

### Cell Phone and Technology Policy

The staff at École Meridian Heights recognize the potential for technology to support purposeful learning opportunities for our students. We also acknowledge the need to ensure an appropriate balance within the use of technology within our learning community throughout the school day. With that in mind, the following policies have been developed to outline the technology expectations within our school.

#### Technology Policy: Grades K-9 Cell Phones & Electronic Devices

- Devices as Tools for Learning
  - We are a BYOD school – this means we encourage students to Bring their Own Device.
    - The required device should have a keyboard and have enough space to accommodate the Google Chrome extensions (drive, classroom, etc.) required to complete daily tasks. If an individual or school supplied Chromebook is not available, students are expected to complete work on paper.
  - **We do not consider a cell phone a device.**
- Cell Phones

- Cell Phones are to remain in backpacks/lockers for the duration of the school day, including all breaks.
- Cell phones may be checked at the start of morning and lunch break at the designated time.
- **Wireless earbuds, such as airpods, are considered an extension of cellphones** and also need to be locked away in lockers. (student can bring wired headphones or use a school pair to connect to their devices for learning purposes)
- Teachers will direct students when they can use their phone for specific tasks. *ie. Media Arts or related projects.* (school calculators and visual timers are always accessible).
- If a student needs to communicate with parents while at school, they are welcome to use the community student phone in the front office.

#### Support Plan for Unexpected Cell Phone or Wireless Earbud Use:

- During the grace and learning period, the first week of school each year, students will be reminded of the expectations and asked to return the device to their lockers.
- Once the grace period has ended, students will be asked to deposit their device at the office for safekeeping and can pick it up at the end of the day.
- If a student needs to communicate with parents while their phone is in the office, they are welcome to use the community student phone.
- If a student continues to experience difficulty leaving their cell phone in their locker, teachers, administration, and parents will work together to create an alternative plan.
